

Dr. Khadijah Muhammad, Assistant Principal

I am so excited to be the new Assistant Principal of Coralwood! I have had the pleasure to serve and support teachers and students in multiple capacities. For the past eight years, I have supported the Lakeside Cluster as the MTSS specialist for Henderson Mill Elementary and as the Gifted and Instructional Liaison for Briarlake Elementary. Prior to working in the Lakeside Cluster, I served another eight years in education through roles such as RTI Coordinator, 504 Chair, and special education teacher within the Dekalb County School District and Atlanta Public Schools. I obtained my Bachelor's Degree in Journalism from Georgia State University, my

Master's in Special Education from the University of Phoenix, and a Doctorate Degree in Education from Walden University. Special education is my passion, and I believe that education is a never-ending journey that anyone can begin.

I have been married for 15 years and have two sons that keep me young and on the move. I enjoy walking, pilates, white water rafting, traveling, and food!

I'm looking forward to supporting Coralwood's vision, mission, and values by collaborating with the staff, parents, students, and other community members.
